We have received word from the Central office for encumbrance deadlines. All Requisitions in excess of \$25,000 need to be entered into our system no later than **May 3, 2012** so that we can meet their deadline of **May 4, 2012**. The final day for all encumbrances is **May 31, 2012** so that we can meet their deadline of **June 1, 2012**.

Please review your needs and order enough to get your lab/program through until at least the end of July 2012. Any questions can be direct to myself X6231 or Tom McGuire X6663.

Thanks in Advance  
Debbie
